

All Creation Sing *by Larry Gallas*

Come awake all of creation
The time has come to praise His name
All the trees join in the chorus
The rocks cry out His fame

At the roaring of Your waterfalls
As the deep calls unto deep
Every creature under heaven
Here on earth we sing

Praise Him, praise Him
All creation sing
Praise Him, praise Him
All glory to the King

Sun and moon and stars awaken
Shining brightly all for Him
Praises from the highest heaven
Let His song begin

Gather all the angel armies
Host of heaven all proclaim
Praise the goodness of our Savior
The power of His name
