

We Thank You *by Arron Mecwan*

For mercies every day
Your grace that never ends
We give you thanks
Every breath that we breathe
This heart that's still beating
We give You thanks, we give You thanks

Good Shepherd, Redeemer, Jesus Messiah
You laid Your life down for us
We thank You
Our Savior, Defender, Lord of creation
Hallelujah, we thank You
Hallelujah, we thank You

For giving us life
By conquering death, Lord
We give You thanks, we give You thanks

With lifted hands
With the loudest praise
We sing of Your goodness God
For all You've done
Good things You'll do
We know You are faithful God
We know You are faithful God
